

# **Bredon Buzzards Junior Rugby Club**

Once again the rugby season will soon be upon us, and whether joining us for your first season or returning following the success of last year, I would like to take this opportunity to welcome you all to Bredon Buzzards Junior Rugby.

The truth is it is only four months since we were celebrating the 2008/2009 season at our presentation dinner in May. That event was a fitting finale to a very enjoyable and successful season and everyone on the committee is aiming to further improve Bredon Buzzards.

As many of you know we at Bredon Buzzards aim to provide an enjoyable, safe and rewarding environment for all our players and supporters and we hope that the schedule of training and matches, coupled with the enhancement to the facilities of last year will once again lead to an enjoyable experience for all.

This year we will be holding registration days on the first two Sundays of the season. It would greatly help with the administration workload for our volunteers if you could complete the slip at the bottom of this letter and return it with a cheque for your subscriptions on one of these days. With the current economic climate in mind, we have tried to limit the impact of the increase to the subscriptions. This year our subscriptions are £50 for the first player in a family, with subsequent players £40. We believe this still represents excellent value for a season spanning eight months.

Each year we need volunteers to help in various aspects of the club, and this year is no exception. With that in mind, and with the aim of being able to focus our efforts, I have included an optional section on the registration slip below for you to put your profession, or ways you would be willing to help with Bredon Buzzards. This does not commit you in any way, but does help us to identify people who could help us with specific tasks.

Looking forward to another great season

Regards

Phil Turton

BBJRFC Chairman
